see fundraising at its best

Greyhounds enjoy remarkable vision of 270°, while us humans only have 180°. So, it's no wonder that many clubs, organisations, schools and charities turn to their four-legged friends for successful fundraising.

20% of all winning prize-money and 10% of all admissions is donated to the Irish Retired Greyhound Trust and the Greyhound Care Fund. That amount is matched with another donation from Greyhound Racing Ireland.

So, in addition to raising funds for your cause, you are helping the Irish Retired Greyhound Trust (IRGT), who assist in re-homing greyhounds once their racing career is over.
